

Town of Waynesville

Annual Budget

2024-2025

BUDGET MESSAGE

2024-2025

May 28, 2024

The Honorable Mayor and Members of the Town Council

In accordance with the provisions of the North Carolina General Statutes, your staff presents the proposed Municipal Operating and Capital Budget for Fiscal Year 2024-25.

INTRODUCTION

The FY 2024-25 proposed budget is the last budget based on the 2020 quadrennial revaluation. The last year in a valuation cycle finds real estate values lagging the market. The upcoming 2025-26 revaluation will true up the tax values with the market value as defined in the NC General Statutes. Despite the comments regarding rampant growth of Waynesville, the ad valorem tax scroll has only increased an estimated 4% or \$211,500 (*1.28 cents on the tax rate*). Sales tax has returned to its traditional increase of 4%, in line with the rest of the State. As the Town is experiencing only modest growth in revenue, it is being pressured by the competition for its employees. 48% of the new General Fund spending is dedicated to keeping the Town's wages and benefits within the Western North Carolina employment market. Our salary recommendations simply keep Waynesville in line with State and local governments. The Town's utility funds are also being affected by unfunded mandates such as the mandate to reduce inflow into our sewers, as well as a mandate to relocate power and utility lines along the Russ Avenue and Walnut Street corridor. The Federal and State government have added a new level of bureaucracy by requiring that the Town inspect every sewer outfall annually to check for leaks and locate lead service lines in the water system. We estimate that we can hold water and sewer rates at the same level as in 2023-24. However, we will need an increase in electric rates to pay for the relocation of the circuits and new services along Russ Avenue and install circuits in new residential areas.

The State and Federal mandate that the Town inspect and record the condition of its sewer outfalls and storm water detention basins annually require that it establish a new utility fund the "Storm Water Utility" rather than further increase ad valorem taxes in the General Fund. The Storm Water Fund is based on the area of a parcel that is impervious to water, such as a building or parking lot. Landowners will be charged a

fee based on the amount of impervious surface on their property. The impervious surfaces increase the speed and quantity of runoff into the Town's creeks. The excess runoff increases erosion of creek banks, introduction of chemicals from leaking vehicles and addition of waste such as drink cups, and paper bags.

We estimate that the Town will only experience an increase of 4% in General Fund revenue over last year's tax assessment. We estimate the Town will experience a \$180,000 increase in sales taxes and \$100,000 in investment income.

After all adjustments to revenue, we estimate that the General Fund will increase by \$1,586,790 compared to the previous year.

The Council recognizes that the Town has a continuing need to renew equipment, purchase supplies and train its staff in order to provide the same level of service that Waynesville's residents have come to expect. A number of pieces of equipment have been in use for over 20 years and have simply worn out. Items such as leaf shredding machines, cardio exercise equipment, and meter reading devices have repeatedly failed and must be replaced. The Fire and Police Departments are experiencing increasing levels of calls due to both growth in permanent and recreational clientele. Increasing call demand has resulted in the department's requests for additional full-time staff.

BUDGET SUMMARY

The Town has dedicated the majority of its revenue growth to adjustments in employee compensation. It has lost a number of skilled employees to other local governments and the private sector as they increase their wages and benefits. When an organization loses a well-trained employee, it loses 50% of that position's productivity while the position is vacant and as the new employee learns their duties.

We have made great strides in our hiring and retention rates, but market pressure continues to lure employees to other organizations. In order to hire and retain employees, we recommend The Council approve a 2 ½ % Cost of Living Adjustment amounting to \$155,000 (COLA) in addition to the Town's average 2 ½% "Career Development Program" which is budgeted to cost \$258,500.

New and Reclassified Positions

The proposed budget includes the match necessary to qualify the Police Department for two additional officers. We recommend that the Fire Department add two fire fighters as of July 1st and an additional two fire fighters on January 1st. The new "Storm Water Fund" will be staffed by an entry level Planner under this proposal.

Salaries and Benefits

The Town will contribute 13.66% for staff and 15.04% for Sworn Officers to the NC Local Government Retirement Fund. It contributes 5% of an employee's salary to a 401K. In addition, the Town fully covers an employee's health insurance benefits including a \$4,500 HRA. The Town contributes 75% to the employee's family health coverage.

Our health insurance rate is tied to the Town's "medical loss ratio", the cost of the claims submitted by the employees and their families. The Town's experience rating and rate increases are evaluated annually. The insurance companies like "medical loss ratios stay less than 70%. Thanks to a healthy workforce our insurance loss ratio is 65%. Due to our positive rating our health insurance carrier is NOT requesting an increase in insurance premiums for the upcoming year.

Worker's Compensation Insurance

The Town's workers' compensation insurance rates are set by the NC Insurance Commission, not by the insurance industry. The Town's worker's compensation claims have been in the acceptable range for the past year however the increases in the salaries of the workforce have caused an increase of \$11,500.00.

Liability Insurance

We have received a quote on property and liability insurance for \$316,873.00, a 9.6% increase, as a projected expense for the upcoming year.

FUND SUMMARIES

General Fund

We recommend a \$19,039,765.00 General Fund operating budget for FY 2024-25. This represents a 9.0% increase from the FY 2023-24 budget. We do not recommend that the Council appropriate funds from the General Fund Balance.

Ad Valorem Taxes

Haywood County provides its municipalities with a tax scroll that lists the value of each taxpayer's real and personal property. The Towns apply their tax rate to those values and calculate the taxes due to the Towns. Haywood County reassesses its property every four years. We are in year four of an assessment cycle.

The staff recommends a \$.0378 increase in the current ad valorem tax rate to \$.477. per \$100 in value. The State requires that local governments budget the percentage of taxes collected in the previous year. Waynesville's collection rate was 99.19% in 2023-24. We project the Town will collect \$7,315,000 in current year property tax in 2024-25.

General Funds Sales Tax

The Town estimates that it will collect \$4,680,000 in Sales Tax for FY 2024-25, a 4% increase.

Downtown Municipal Service District

The Town established a “Downtown Municipal Service District” in 1986 in order to provide redevelopment and promotion of the Town’s traditional central business district. The revenue derived from the MSD also funds the District’s membership in the State and US Mainstreet program. Properties within the district pay an additional ad valorem tax in addition to the ad valorem taxes paid by the rest of the Town.

The current ad valorem tax on the Downtown Municipal Service District is \$.19 per \$100 of valuation. We estimate that the District will yield \$107,800 in 2024-25.

In early 2022 the Board of Alderman reorganized the administration of the district by placing the staff, programing, and accounting functions within the Town’s organization. The Board created a 13- member committee that serves to advise the staff and Board on programs and policies of the Downtown Service District. The governing and administration of the Downtown Municipal Service District has been a tremendous success. The MSD has retained its certification as a “Mainstreet Community”.

Water Fund

The staff recommends a budget of \$3,535,417. This represents an 8.5% decrease from FY 2023-24. The reduction in the overall budget is due to lower capital improvement requests. We do not recommend an increase in water rates for the 2024-25 fiscal year.

Water Treatment

We recommend a \$ 1,263,390 budget to fund the operation of the Water Treatment Plant. This represents little change from last year’s budget.

Water Collection Line Service and Maintenance

We recommend a \$1,339,310 budget for FY 2024-25. This represents a 21% decrease from the previous year. The decrease is due to completion of several capital projects that were funded through operating revenue in the previous year. We do not recommend a rate increase for the upcoming fiscal year.

Water Fund Administration and Finance

The Water Fund contributes a portion of its revenue to the meter reading, billing, collection, and accounting of its operation. The staff estimates the percentage of the Finance Department’s operation dedicated to the Water Fund. For the upcoming FY

2024-25 budget year we recommend a \$916,717 budget. This represents a 4% increase from the previous year.

SEWER FUND

Sewer Plant Financing and Construction

The staff does not recommend an increase in Sewer Rates for the upcoming fiscal year. The Sewer Fund is made up of two operating divisions. The Town has secured \$29 million dollars in State Revolving Loans that carries a “0”% interest rate for a 26-year term. The plant is due to be completed in the summer of 2025. Next year will be the first year the Town pays a principal payment on the loan, so we anticipate a rate increase during the 2025-26 fiscal year.

Sewer Maintenance

We recommend a \$1,259,419 operating budget for this Division. The recommended budget represents a 24% decrease over FY 2023-24. This reduction is mainly due to reduction in major capital spending.

Sewer Plant

We recommend that the Town Council appropriate \$1,783,045 for operation and maintenance of the plant. This amounts to a 11% increase from last year’s budget. The Town will experience significant changes in the Sewer Plant budget as the new plant is placed in operation and a number of new pumps, motors and aerators are placed in service.

Capacity Use Fees

Capacity Use Fees are based on the premise that users of Waynesville’s waste treatment system purchase a portion of the plant’s six-million-gallon capacity. The fees are based on a table of projected sewer use adopted by the Council. The fees fall below the “upper limit” of fees the Study indicated could be charged. The schedule of “Capacity Use Fees” the Town adopted represents a “single fee system” that creates one schedule of fees for both In-Town and Out-of-Town users. ‘Capacity Use Fees’ are calculated on a case-by-case basis. The calculations are based on the State’s “NC Wastewater Flow Rates” (15A NCAC 02T .0114).

In 2018-19 the Town adopted a schedule of “Capacity Use Fees” based on a study mandated by the General Assembly (HB 436). A certified engineering firm reviewed the Town’s capital expenditures and weighed them against the Town’s goal to keep its cost of service affordable.

In order to ensure that user/developers reserve their capacity in the Waste Treatment Plant they must receive approval for their development in accordance with the Town’s

Comprehensive Plan AND pay the system development fees at the time of approval of the development. Should an owner/developer choose to abandon their project within three years of approval, the Town will refund their "Capacity Use Fees". Failure to pay the fees may result in the user/developer not being guaranteed the capacity necessary to develop their project.

We have not increased the Town's Capacity Use Fees since 2019 and do not recommend an increase for the 2024-25 fiscal year. In 2018-19 the Council capped the Town's "Capacity Use Fees" at \$100,000 for the combined Water and Sewer Fees. This was done to encourage investment in Waynesville after a decade of near zero growth. The Town is starting a \$29,450,000 waste treatment renovation that was not factored into the "Capacity Use Study" carried out in 2018. As we complete the project, it would be appropriate to carry out a new study and establish "Capacity Use Fees" that reflect the cost of that project.

The Town has approximately 2.91 million gallons of capacity in its six-million-gallon waste treatment plant. When the plant is renovated and placed online the Town will, once again, be open to new investment. Until we complete a new "Capacity Use Study" we recommend that the Council increase the cap on combined Capacity Use Fees from \$150,000 to \$200,000. We will recommend that the Council fund a new study during the 2025-26 Fiscal Year.

ELECTRIC FUND

For FY 2024-25 we recommend an Electric Department budget of \$11,324,608. This represents a 7% increase in the operating budget. We recommend a 7% increase in electric rates across all rate classes. This increase will also be applied to the base charges. The increase is due to two capital projects, the relocation of power lines and light standards along the Russ Avenue and Walnut Street corridor required by NCDOT and the installation of underground power service in the Queen Farm Subdivision.

The Finance staff is "up to date" on past due accounts created by the Covid pandemic. While we have been very successful in collecting our past due accounts, we will have to "write-off" only an estimated \$30,000 in electric charges due to customers moving without forwarding addresses.

STORM WATER MANAGEMENT FUND

The staff is recommending a new fund for the upcoming fiscal year. The NC Department of Environmental Quality through contract with the Environmental Protection Agency is requiring local governments that fall under authority of the EPA's storm water program to begin an annual inspection of all sanitary and storm sewer lines within the municipality. The municipalities must also report on the condition of storm water retention and detention devices constructed by private entities. Should the storm water systems be deficient, the municipality must order the devices be repaired. The cost of the unfunded mandate will require that the Town fund an employee to carry out this

task. In addition to the employee, the Town will use storm water funds to enhance its effort to remove debris from catch basins and keep debris out of the street gutter systems. A storm water fund is based on property owners being charged a nominal fee based on the amount of impervious surface that lies within their property. An example of the impervious surface on a residential lot would be the footprint of the dwelling, outbuildings and driveways that appear on the lot. The size of the impervious surface is divided into four tiers and a fee is set per tier. A base fee or equivalent residential unit (ERU) is established and used to calculate the fee for commercial properties with large structures and parking area. The fee will be charged on the property owner's annual ad valorem tax bill.

ASSET MANAGEMENT AND GARAGE FUNDS

The Asset Management Fund was eliminated as a separate fund in the 2023-24 budget. It is being treated as a division of the Public Services Department. In the past each operating department was charged separately for Asset Services. The proposed budget finds the contribution to the asset services department to the individual funds rather than the operating divisions.

CONCLUSION

The proposal that is before you represent a "program of work" that is experiencing the effects of both slow growth and the pressure of increasing competition for the Town's experienced workforce.

The Town has reached the maximum allotment of sewer capacity permitted under the Special Order of Consent (SOC), two of the developments approved under the Special Order of Consent has commenced construction. With the price of materials decreasing, we hope that more of the approved developments will commence construction. Another regulatory change that may impact development is the General Assembly has changed the NC Flow Rates. The new rates permit less flow per bedroom than the old flow rates. This may permit some of our customers to release some of the flow they have been allocated, freeing up sewer allotment for other developments. The sewer plant itself is nearing completion. Once it is online, the Town will have 2.9 million gallons of water and sewer to accommodate additional growth.

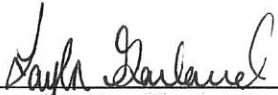

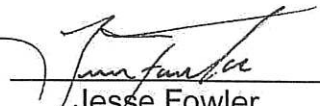

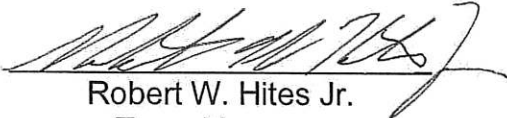

One of the Board's principal goals is to design, fund and construct a new fire station in Hazelwood. The 2024-25 budget funds the engagement of an architectural firm to design, bid and conduct construction observation of Fire Station #2. We anticipate the design process to take a year and the actual construction a second year. As the Town approaches the construction phase of Station #2, it will apply to the NC Local Government Commission for permission to seek bids for borrowing up to \$6 million for the project. If all goes as planned, Fire Station #2 should come online in the fall of 2027.

The proposal that is before you represent an analysis of spending patterns in the Town. The budget team has conservatively estimated the revenues the Town needs to

operate. The ad valorem tax and Electric Fund increase are the result of salary demands and increases in operating costs outstripping the revenues available to the Town. Hopefully the reassessment of real and personal values in 2025 will help the Town with its budgetary needs in the future fiscal years.

We look forward to receiving your input on the proposed budget.

Respectfully submitted:

 Taylor Garland Interim Finance Director	 Page McCurry Human Resources Director	 Jesse Fowler Assistant Town Manager

All unit prices are applied to tanker capacity without regard to fill percentage

Grease Blockage	\$250.00/minimum on callout
------------------------	-----------------------------

Sewer Tap		
	4"	\$1,450.00
	6" and larger	\$1,700.00

Sewer Capacity Fee - effective July 1, 2018		
	Per Gallon per Day	\$3.05

Residential Water and Sewer Capacity Fees are capped at \$150,000 combined

In addition to the tap fee, new connections to the sewage system of the Town of Waynesville shall pay a sewer capacity fee based on wastewater design flow rate determined from the table of minimum allowable design daily flow in 15A NCAC, 02T.0114 of the Environmental Management regulations contained in the North Carolina Administrative Code.

For the tributary sewer systems of Junaluska Sanitary District, Town of Clyde or Maggie Valley, wastewater flow allocation letters will be charged the sewer capacity fee at the outside rate. Lake Junaluska Assembly will be charged the sewer capacity fee for flow allocation letters at the inside rate (in consideration of their participation between 1942 and 1990 in the costs of sewer trunk and treatment plant facilities). The minimum flow rate is 240 GPD.

*It is the policy of the Town of Waynesville to establish a schedule of "System Development Fees in accordance with Article 8 of Chapter 162 of the North Carolina General Statutes. The fees are intended to defray the cost of the water and sewer infrastructure as calculated in a report by McGill Associates dated March, 2018 and titled "Cost-Justified Water and Wastewater System Development Fees Report". *Equivalent flow rates will be per the North Carolina Administrative Code 15A: NCAC 18C.0409 and NCAC 02T.0114 (Authority NCGS 130A-315; 103A-317)*

Electric Fund
Electric Rates

Waynesville's electric rates are reviewed and adjusted monthly based on power costs billed by town's supplier for wholesale rates. Monthly reviews will determine fuel adjustments to be added to base rates shown below.

All electric sales are subject to a 7% sales tax imposed by the State of North Carolina, with the exception of electric sales to the State of North Carolina or United States government, which are exempt from the sales tax.

Residential & Commercial fuel adjustment added to base rate as of January 1, 2018 is \$ 0.00000 per kWh.

Late Payment Penalty (applied to any arrears balance)	2% per month

Net Metering Governmental Solar Rate Rider (150 kW max. Sized to Existing Consumption)		
	Base Charge in addition to commercial base rate	\$11.91
	1 - 700 kWh	\$0.16568/kWh
	701 - 4,000 kWh	\$0.13304/kWh
	All over 4,000 kWh	\$0.12711/kWh
	Solar Power Credit	\$0.09
Demand Accounts		
Demand meters are placed on all commercial accounts with an actual or anticipated 12 month average consumption of at least 5,000 kWh per month.		
Accounts will be removed from demand service rates when the calendar year average declines below a 5,000 kWh per month average or the nature of the operation is changed to the extent that the average consumption will be less than 5,000 kWh per month.		
Three Phase		
	Base Charge	\$18.94
	Usage	\$0.097428/kWh
Single Phase		
	Base Charge	\$16.50
	Usage	\$0.097428/kWh
In addition to the kilowatt hours charges, peak metered demand is billed at \$8.3073 per kilowatt of peak demand per month.		
Industrial Accounts		
Industrial rates are used on all industrial accounts with an actual or anticipated 12 month average consumption of at least 1,500,000 kWh per month.		
Industrial fuel adjustment added to base rate as of January 1, 2018 is \$ 0.00000 per kWh.		
Three Phase		
	Base Charge	\$18.94
	Usage	\$0.071605/kWh
In addition to the kilowatt hours charges, peak metered demand is billed at \$17.72 per kilowatt of peak demand per month.		
Renewable Energy and Efficiency Portfolio Standards (REPS)		
In 2007, the North Carolina General Assembly passed legislation that requires utility companies to develop an increasing supply of alternative energy resources, with 3% of their total supply coming from renewable by 2013 and 12% from renewable by 2021. Utility companies are charging their customers to recover the cost of the renewable energy they purchase. In turn the Town is passing along these costs to its customers. These charges (REPS) are set each December by our power supplier.		

	Residential	\$0.66
	Commercial	\$5.36
	Industrial	\$41.69
Deposits (tenant-occupied accounts only)		
	Residential	\$170.00
	Commercial	\$200.00
Deposits may be refunded at customer request if the most recent twelve months of billings have been paid before a late-payment penalty has been added. Deposits available at termination of service are applied to unpaid utility balances and any excess deposit is refunded to customer.		
Deposits may be transferred to a new account when customer is moving if the current account is paid in full. The final bill at the current location will be transferred to the new location if not paid in full within thirty (30) days of billing.		
Area Lighting Fixture		
	30 to 140 LED/Sodium Vapor, 100w/ 9,500 lumen Semi-Enclosed	\$15.00
	150 to 215 LED/Sodium Vapor, 400w/50,000 lumen Enclosed	\$30.00
	220 to 280 LED/Metal Halide, 400w/40,000 lumen Flood	\$45.00
Lighting Fixtures (no longer available to new customers)		
	Sodium Vapor, 150w/16,000 lumen Semi-Enclosed	\$19.00
	Sodium Vapor, 400w/50,000 lumen Flood	\$33.00
	Mercury, 175w/ 7,000 lumen Semi-Enclosed	\$13.00
Special Area Lighting Pole		
	If other than distribution pole, add monthly charge per pole	
	Wood	\$7.00
	Or, a one-time pole charge	\$250.00
Underground service for area lighting		
	Monthly	\$5.00
	Or a one-time charge	\$200.00
Underground Service for New Homes (Up to 4/0 wire)		
	0 - 100 feet of wire from pole to house	\$250.00
	All wire over 100 feet	\$3.00/ft
Underground Service for Existing Homes That Change from Overhead (Up to 4/0 wire)		
	Opening and Closing of Ditch	\$100.00/hr
	All wire	\$3.00/ft
3 Phase Underground Service		
	4/0 wire	\$3.00/ft
	350 mcm	\$4.00/ft
	500 mcm	\$5.50/ft
	Opening and Closing of Ditch	\$100.00/hr
If a customer digs his own ditch, the ditch must meet electrical code before the Town will put wire into the ditch.		
Reconnection Fee		\$50.00
Reconnection Fee After 4 PM or on Weekends		\$100.00
Demand Account Reconnection Fee		\$100 per hour plus cost of supplies/equipment
Broken Seal on Electric Meter		\$100.00
Tampering Fee		
	First offense	\$400.00
	Second offense (or if service is disconnected)	\$1,000.00
	Third offense (meter will be removed)	Full cost of tap and connection fee
Meter Testing Fee (reimbursable if beyond 2.5% off)		\$100.00
Meter Relocation Fee		\$200.00 plus cost of specialized equipment, if nec
At Fault damage to power pole/equipment		\$100 per hour plus cost of equipment
Pole Co-Location Fees		
Cable Attachment Rate		\$25.00 per pole
Remove Stub Pole		\$250 per pole

Transfer Tangent Telephone Attachment	\$50 per attachment
Electric Cooperative Installation of Underground Ground Lead	\$100 per ground lead
Electric Cooperative Installation of Overhead Pole Ground	\$175 per ground

Storm Water Fund

The Storm Water Fund is established to provide revenue to administer the EPA Storm Water Program. The Fund creates five Residential and five Commercial fee tiers determined by parcel acreage. Fees are applied in multiples of an "Equivalent Residential Unit" (ERU) determined by the average impervious surface of parcels throughout Town with the associated fee of a single ERU being \$2.86. For example, such impervious surfaces would include building footprints as well as paved and unpaved driveways. Larger properties are categorized into higher tiers in order to consider the increased potential impact of those properties on the Town's stormwater management system so that the burden of managing those effects is better distributed proportionately.

Storm Water Rates

Residential

ERA Range	ERU	Monthly Fee	Annual Fee
Tier 1: 0.0001 - 0.7001	0.5	\$ 1.43	\$ 17.15
Tier 2: 0.7002 - 1.4002	1.0	\$ 2.86	\$ 34.30
Tier 3: 1.4003 - 2.1003	2.0	\$ 5.72	\$ 68.59
Tier 4: 2.1004 - 2.8004	3.0	\$ 8.57	\$ 102.89
Tier 5: 2.8005 - and up	4.0	\$ 11.43	\$ 137.19

Commercial

ERA Range	ERU	Monthly Fee	Annual Fee
Tier 1: 0.0001 - 0.7001	1.0	\$ 2.86	\$ 34.30
Tier 2: 0.7002 - 1.4002	2.0	\$ 5.72	\$ 68.59
Tier 3: 1.4003 - 2.1003	3.0	\$ 8.57	\$ 102.89
Tier 4: 2.1004 - 2.8004	6.0	\$ 14.15	\$ 205.78
Tier 5: 2.8005 - and up	9.0	\$ 25.72	\$ 308.67

**ORDINANCE NO. O-26-24
BUDGET ORDINANCE 2024-2025**

SECTION 1: The following amounts are hereby appropriated for the operation of the Town of Waynesville and its activities for the fiscal year beginning July 1, 2024 and ending June 30, 2025 according to the following summary and schedules.

SECTION 12: Tax Rate Established

An Ad Valorem tax rate of 47.70 cents per \$100 on real and personal property billed by the town is hereby established for the Town of Waynesville. The total real and personal property valuation is \$1,546,111,001 as of January 1, 2024 with an estimated rate of collection of 99.19 percent and on motor vehicles billed by the North Carolina Department of Motor Vehicles with a value of \$120,014,187 with an estimated rate of collection of 99.99 percent for motor vehicles collected by the state. A tax rate of 19 cents per \$100 is hereby established for the Downtown Waynesville MSD with a valuation of \$57,234,400 as of January 1, 2024, with an estimated rate of collection of 99.19 percent.

SECTION 13: Rates effective for the fiscal year beginning July 1, 2024 are contained in the accompanying Town of Waynesville 2024-2025 Fee Schedule.

SECTION 14: Special Authorization

- A. The Budget Officer may transfer amounts between objects of expenditure within a department without limitations.
- B. The Budget Officer may make interfund loans as deemed necessary.

SECTION 15: Restrictions - Budget Officer

- A. The transfer of monies between funds, except as noted in this document, shall be accomplished by Town Council authorization only.
- B. The utilization of any reserve or contingency appropriation shall be accomplished only with Council authorization.

SECTION 16: Encumbrances at Year End

Funds encumbered by the Town of Waynesville as of June 30, 2024 are hereby appropriated to this budget.

SECTION 17: Utilization of Budget and Budget Ordinance

This Ordinance and the Budget Document shall be the basis of the financial plan for the Waynesville Municipal Government during the 2024-2025 fiscal year.

The Budget Officer shall administer the budget and ensure that departments are provided guidance and sufficient information to implement their appropriate portion of the budget. The Finance Department shall establish records which are in consonance with the budget and this ordinance and the appropriate statutes of the State of North Carolina.

Adopted this 11th day of June 2024.
